## Introduction

Sussex Construction has more than 40 years of industrial experience in the field of Constructions. Previously known as Kaluarachchi & Sons and had re-launched the company as Sussex construction in 2010 with new strategies to serve customers in better ways. We committed to play an integral role in the Construction field. Our services for the past years are “original”, “precise” and “exact”. Our main aim is to build a field of expertise with exceptional service to our customers. We offer a vast range of building and maintenance not just to the private home owner but to office as well as corporate.
